Holden Swindell

Email	swind027@umn.edu
Website	https://hswindell.github.io
ORCID	0009-0002-9619-9386
Institution	University of Minnesota Twin Cities
Office	Vincent Hall 422

Education

University of Minnesota Twin Cities August 2025 – Present
Mathematics, PhD

University of Wisconsin-Madison September 2021 – May 2025
Mathematics, BSc and Computer Sciences, Certificate

Research Experience

UW-Madison REU in Analysis Summer 2023
Analysis and Partial Differential Equations RTG, University of Wisconsin-Madison

Website: https://web.math.wisc.edu/analysisrtg/node/7

MXM Project "Random Symmetries of Hyperbolic Spaces" Fall 2022
Madison Experimental Mathematics Lab, University of Wisconsin-Madison

Website: https://mxm.math.wisc.edu/past-semesters/fall-2022

MXM Project "Geometry of Random Integer Matrices" Spring 2022
Madison Experimental Mathematics Lab, University of Wisconsin-Madison

Website: https://mxm.math.wisc.edu/past-semesters/sp22

Teaching Experience

University of Minnesota Twin Cities

Teaching Assistant (MATH 1372) Spring 2026
Teaching Assistant (MATH 1271) Fall 2025

University of Wisconsin-Madison
Math Learning Center

Lead Tutor Spring 2024 – Spring 2025
Tutor Spring 2022 – Fall 2023

Professional Memberships

American Mathematical Society Fall 2025 – Present
Association for Professional Mathematicians

Website: https://www.ams.org

Spectra Fall 2024 – Present
Association for LGBTQ+ Mathematicians

Website: https://www.lgbtmath.org

Service & Community Outreach

Mathematics Project at Minnesota
University of Minnesota Twin Cities

Counselor — January 2026

Website: https://sites.google.com/view/mpm-umn/home

Saturday Morning Math
University of Minnesota Twin Cities

Student Mentor — Fall 2025

Website: https://cse.umn.edu/mathcep/saturday-morning-math

Math Club
University of Wisconsin-Madison

President — Fall 2024 – Spring 2025
Vice President — Fall 2023 – Spring 2024
Board Advisor — Fall 2022 – Spring 2023

Website: https://win.wisc.edu/organization/mathclub

Category Theory Reading Group
University of Wisconsin-Madison

Directed Reading Mentor — Spring 2024

Website: https://hswindell.github.io/category-theory.html

Honors & Awards

University of Wisconsin-Madison

Honors in the Liberal Arts — Spring 2025
Honors in the Major (Mathematics) — Spring 2025
Phi Beta Kappa Honor Society Induction — Spring 2025
Dean's List — All Semesters

Talks

"Equivalence via Surjections" — October 2025
arXiv Seminar, University of Minnesota Twin Cities

"Point-Free Topology" — April 2024
Category Theory Reading Group, University of Wisconsin-Madison

"Smooth Infinitesimal Analysis" — February 2023
Math Club, University of Wisconsin-Madison

Conference & Workshop Attendance

Teaching Higher Category Theory with Computers — August 2026
ICERM workshop

Website: https://icerm.brown.edu/program/topical_workshop/tw-26-thc

Equivariant, Motivic, and Physical Topology in the Midwest — October 2025
Conference in Honor of Igor Kriz

Website: https://z.umn.edu/igorfest
